

NOTICE TO COACHES

Missouri High School FFA & 4H Trapshooting Championship
April 30, 2016

Pre-Squad Entry Deadline: April 25, 2016

Go To: <http://www.motraps.com>

Click on youth shooting tab and fill out the forms and click submit button.

Notice: There are three forms that must be submitted.

1. The INDIVIDUAL FORM for each individual shooter. (Same Form as Team If not previously filled out)
2. The TEAM ENTRY FORM submitted by the coach.
3. CONSENT & WAIVER **must be filed annually**. Print out this form, have it signed by participant, parent/guardian, and bring with you to the shoot.

IMPORTANT:

If you do not have your teams pre-squaded by April 25, 2016, they will not be allowed to shoot.

This is so data entry can be made into the shooting program prior to the shoot date. If later you see that substitutions need to be made, these need to be done by April 27.

Use the online form to submit this information. Be sure to fill in all the blanks with **red asterisk** or the form will not be submitted. We cannot accept any phone, fax, mail-in registration or changes. All communications need to be made via email.
