

Missouri Trapshooters Association**COUNTIES OF THE MISSOURI ZONES**

Each year the MTA provides \$1,000 to each of the three zones to be used for trophies for the zone shoots. A zone team from each zone consists of the singles champion and the four class winners. These teams compete for the zone team trophies during the state singles championship at the state shoot.

Each of the three zones elects a state director each year to serve a three year term.

These elections are held during the annual meeting at the state shoot.
