There is a \$2.00 Per Position Pre-Squadding Fee That Must be Paid When you

50 TARGETS PER FIELD

All events will be shot 50 targets per field. Banks are numbered from west to east.
The numbers on the trap houses will not change for the duration of this shoot.

RELOCATION OF SQUADS

Please note that squad hustlers have the authority to move squads to different
nearby traps at any time. This will be done in an effort to expedite the progress of
events.

SHOOTERS MUST SQUAD RESPONSIBLY

Every attempt will be made to fill handicap squads. Squadding at one position in
handicap events, and then actually shooting at a different position can create
yardage conflicts on the firing line. When squadding or returning unused posts,
please remember that your actions have an impact on other shooters. Shooters
that earn yardage during the shoot should check to make sure there are no
yardage conflicts with their present squads.

PRESIDENT'S MESSAGE

On behalf of the Officers, Board of Directors, Staff and Crew here at Missouri Trapshooters Association I welcome you to the 2024 Missouri State Trap Shoot. This year marks our 145th Anniversary of shooting and what a wonderful week we have planned!

If you are a returning shooter, we really appreciate you coming back. If you have never attended the MO State Shoot this is the year to come give us a try. We have 60 trap fields and 300+ campsites and one of the hottest vacation spots in the entire Midwest!! Lake of the Ozarks offers many activities to enjoy after your daily dose of busting targets.

Many shooters consider the Mo State Shoot to be the "Kick Off" shoot for the summer as they make their way to the Grand American in August. Our attendance last year was up 10% over 2022 and was our highest attended state shoot in the last 5 years!! That many people cannot be wrong. Come witness Midwest hospitality at its finest, where you will come as a competitor and leave here as our friend!

During our week long shoot please introduce yourself to our team that makes this shoot possible. We are always open to new ideas for improving your shooting experience.

As in past years target and ammo prices continue to rise and most shooters are having to make decisions on what shoots to attend and what shoots to cut back on. Missouri is continuing to have strong numbers. We are thankful for our past successes and want to have this growth for years to come. We appreciate our wonderful sponsors and vendors for making this shoot possible. Let's make the MO State Shoot a must attend in 2024 and the following years.

May God continue to rain his blessings down upon us and keep us safe in our travels.

Humbly your 2024 MTA President,

Habe Darr

Habe Darr - President

GREETING FROM THE MANAGER

On behalf of everyone here at the Missouri Trapshooters Association, I'd like to welcome you to the Missouri State Shoot. Whether you are a long-time member of the MTA shooting family, or this is your first time visiting us, our goal is to make your visit a great one.

While you are here, I also invite you to try your hand at our challenging sporting clays range (I often get my feelings hurt down there). Be sure to also visit all our fine vendors.

This club is a very special place, located in a beautiful part of our great country. When the shooting day is over and you have collected all your trophies, be sure to go enjoy some of the many other fun attractions this amazing lake area has to offer.

W.F.J. FIENUP HANDICAP EVENT 11

It is with great pleasure that the MTA recognizes Mr. William F.J. Fienup (better known as "Uncle Bill" to many) by naming an event in his honor at our State Shoot. Mr. Fienup was born on a farm near New Melle, Missouri, on December 16, 1890 and passed away on June 26, 1978. He took up trapshooting when he was 45 years of age, winning among many others, the Missouri State singles in 1946, doubles in 1947 and numerous trophies at the Grand over his 30 plus years attendance, remaining an active shooter past his 86th birthday. He held the Missouri high handicap average in 1937, 1940 and 1941. He was a very successful businessman in the can producing industry as President and Chairman of the Board of the R.C. Can Company which became the largest composite can company in the United States, due mostly to his ingenuity and inventions. He credited the sport of trapshooting with his success in business, believing that trapshooting trains and develops the brain by requiring concentration and practice.

Mr. Fienup's picture appeared on the cover of our programs for several years. He was single-handedly responsible for making it possible for the MTA to have permanent home grounds since 1968. He had great visions for this ground to be used for the sport of trapshooting and we strive to meet his expectations. Through his unprecedented generosity, as shooters, we have all benefited from his unselfish desire to promote our great sport. In 1967, he created and funded the Foundation For the Junior Trapshooters of Missouri, Inc., making it possible for literally thousands of Missouri youth to be introduced to trapshooting. This Foundation continues to be operated by the Fienup family and generously supports youth trapshooting.

Mr. Fienup exemplified the true spirit of a trapshooter when he said, "Trapshooting has been mighty good to me socially and in business, and whatever contribution to trapshooting I have been able to make are small compared to the benefits I have derived."
