Since the 1960's, the Lake of the Ozarks has grown into a well-developed haven for business retreats and vacationing. A wide variety of convention centers, hotels, restaurants, water sports, wineries, and bars are available to accommodate every group.

MTA is the ideal day-event for your group. The Missouri Trapshooters Association was founded in the 60's, before the Lake of the Ozarks was a national destination. "The Gun Club", as it is referred to, has remained a local tradition in the last 60-some years, hosting generations of competitors from around the world. It is currently the 2nd largest trapshooting range in the nation, boasting a full mile of trap houses and the beautiful BlackBerry Ridge Sporting Clays range.

Offering a vintage hospitality that harkens to a simpler time, the iconic clubhouse is available for your group meeting or as space to cater in a meal from the vendor of your choice. Seating accommodations are long tables and chairs. The Butcher Shop (Camdenton), Scuttlebutts (Camdenton), Three Brothers Meat Co (Linn Creek), Hy-Vee (Osage Beach) and Dierbergs (Osage Beach) are choices for delivery of a meal catered for a large group.

We look forward to working with you!
