Sporting clays is all-season fun!

How the BlackBerry Ridge Sporting Clays Course works...

1) When is the course open?

Any time the Gun Club is open, you are welcome to shoot the course. MTA hours are Wednesday through Saturday, 9-5 and Sunday, 12-5.

(Disclaimer: We love hosting corporate groups and organizational retreats and family reunions. There will be some days when the course will be unavailable because it has been reserved by a large group. Feel free to call ahead to be sure that the course is available! 573-346-2449 And remember, the next large group could be yours! Call for details.)

How the BlackBerry Ridge Sporting Clays Course works...(continued)

2) Do I need a membership to try the BlackBerry Ridge Sporting Clays?

No. Come by the office and we will set you up. You will purchase a round of targets to complete the course. We will load the target allotment onto a card for you. You will take the card to the course to activate the readers at each stand to shoot the course. See pricing on other page.

Purchasing a membership will result in a lower per-target charge, saving you money. You are welcome to ask at the counter or click the above price link for more information.

Are you hooked? Contact the office for information to join the next sporting clays league. Length of league varies depending on the season, usually between 6 and 10 weeks long. Competitors shoot for pride and prizes.

3) Can I bring my own shotgun and shells?

Absolutely. For safety reasons, the sporting clays stands are engineered to accommodate a barrel with a minimum length of 24". The majority of shooters bring a 12 ga, although some prefer the added challenge of a 20 ga, or even a 28 ga. If you prefer, you may borrow a club gun and purchase club shells. Club guns are over/under 12's and 20's.

4) Are carts available?

Yes, except during trap shoot events. (Reference the shoot dates on the MTA main page to know when trap shoots are scheduled, and the BlackBerry Ridge Sporting Clays Pricing page for cart costs.)

The BlackBerry Ridge Sporting Clays Course is built into the forested edge of the property. The course is approached by motor vehicle. After that point, the course is a gentle walk on mulched and graveled pathways. Although carts are available, they are not required in order to enjoy the course.
