# Range Rules Sporting Clays

- 1) **Treat every gun as if it is loaded.**
- 2) **Always keep the muzzle pointed in a safe direction.**
- 3) **Action should remain open at all times you are on the MTA Gun Club property. Only close when you are standing in the shooting station and are ready to call for a target.**
- 4) **Never load the gun until you are standing in the shooting station.**

- 5) **Never load more than two shells in your gun. Never load more than one shell in the magazine.**
- 6) **Minimum barrel length is 24" for shotguns on this course.**
- 7) **Eye and ear protection must be worn at all times.**
- 8) **Alcohol and drugs are strictly prohibited on the Black-Berry Sporting Clays Course. This applies to all shooters and spectators.**
- 9) **If you have an issue with a trap, please call the clubhouse. (573-346-2449) Do not attempt to fix it yourself.**

Violation of rules will be grounds for  
dismissal from property.

(The challenging nature of sporting clays can bring out loud and imaginative rants. Remembering that this is a family environment, please limit offensive language.)
