CHRISTMAS CLASSIC

Come out and shoot to help local kids this Christmas!

We'd like to invite everyone to the MTA Gun Club, Saturday, December 7th, to join in the Christmas Classic benefit shoot for a great cause.

Entry fee is \$60 per shooter.

50 Sporting Clays & 25 Five-Stand

Grab your buddies and come out for a fun morning of crushing targets. New shooters are welcome. Bring your shotgun and 3 boxes of shells to the gun club.

If you don't have a shotgun, we'll loan you one, and we can sell you shells.

If you can't make it on shoot day, but still want to pitch in, we're looking for donated items to include in our auction. Drop off auction stuff at the gun club. Business gift certificates, or pick up something in town, or just reach into your hunting closet or garage, and drag out that thing you thought you just had to have..... then never used. Items do not have to be shooting related. As we get things in we'll post pictures and the names of the individuals and businesses who donated.

If you have any questions contact the MTA gun club.

Call or email to register. It will help us if we know who's coming.

CHRISTMAS CLASSIC

We have chosen Kids' Harbor Advocacy Center as the beneficiary of this year's BlackBerry Ridge Sporting Clays Christmas Classic. A percentage of entry plus, all money generated from the auction will be donated to Kids Harbor Child Advocacy Center. Serving Lake of the Ozarks, Fort Leonard Wood and surrounding areas. A great organization that assists local kids.
